

CRIME TUFF

Why choose Crime Tuff?

At Crime Tuff, we are dedicated to safeguarding Australian families with top-of-the-line security doors. Designed by an Australian family, our mission is to provide peace of mind and unparalleled protection.

Our doors boast a sturdy aluminium frame, triple lock system, and Austral dead locking hardware, offering maximum security against intruders. Equipped with tamper-proof screws and three premium mesh options—Stainless Steel Security Mesh, One-Way Vision Mesh, and Perforated Mesh—our doors blend strength with style to suit your home's aesthetic.

Each Crime Tuff door is crafted to the highest standards and independently tested to exceed industry benchmarks. Our commitment to quality and security ensures unmatched durability and reliability. Choose Crime Tuff for uncompromising security, designed for Australians by Australians. Protect what matters most with the best in home security
